Dr Humeraa Qamar

Meeting started on time and it was well attended. Wappna President Mariam conducted the meeting. She introduced herself and her journey with Wappna. The rest of the Executive Council introduced themselves, Shaheen, Secretary, Naheed, Treasurer, Rabia Past President and Humeraa Qamar Executive Director.

All guests were invited to introduce themselves. During the meeting there was animated discussion and it was expressed that this is a much needed forum for women physician leaders with relevance.

The Wappna website, [wappna.com](http://wappna.com) was introduced by Shaheen and we invited attendees and others to visit the website, post comments and become Wappna members.

Rabia discussed about the Project evaluation Committee, as Chairperson of this committee. She expressed her thoughts and invited others to join her to brainstorm an idea which would be in line with previous Wappna projects. She received several volunteers for this committee. More to come on that. The Wappna BOT will supervise the project evaluation committee.

We finished the meeting on time and thanked everybody for their attendance. We welcome ideas and strongly encourage becoming a member. Wappna EC will decide on further meetings and announce them accordingly.

Shaheen Mian

Secretary Wappna
